MISS  
MONKEYYY!

That day, Miss Monkey's mom gave her some unexpected news. Things were starting to take a turn for the worse in the place where they lived, so they had decided to move to another island. Besides, the new place had more mountains, more palm trees and even more bananas.

Miss Monkey was overwhelmed. She wanted to live in the place where she had grown up, and the thought of stepping into an unfamiliar place made her afraid.

Take this lucky charm, it will help you feel safe. I'll be by your side.

Thanks, mom.

Miss Monkey went to bed a little more relieved.  
The next day she would be ready to change islands.
