The Magician and the Tree

Rodrigo Mattioli

That day, the town stopped to witness the last performance of the legendary

ESTRAMBOZI

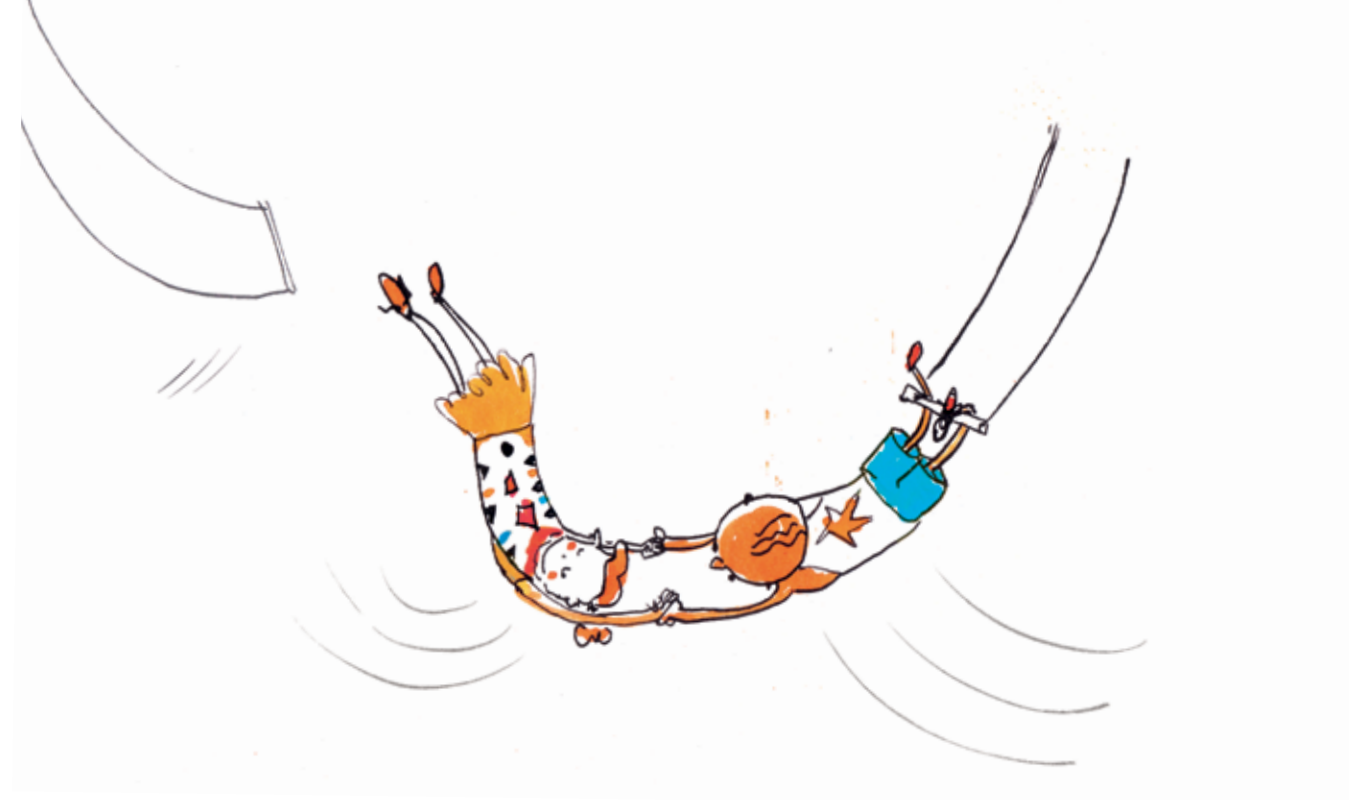

Circus.

The circus had become famous thanks to the extraordinary performances of the world's greatest magician - the amazing Magician P.

The show kicked off smoothly. The audience laughed, clapped and cheered along to every performance.

After an hour, everyone was eager to see the one and only **Magician P.**

What no one imagined, however, was that Magician P was rushing around.

He had an uncontrollable urge to pee, and all the toilets in the circus were occupied.

What a problem!

Overwhelmed, the magician realized that his act was about to begin, so he decided to look for an emergency exit.

Since everyone was in the circus, he took advantage and went to pee at a tree nearby.

Phew, what a relief!

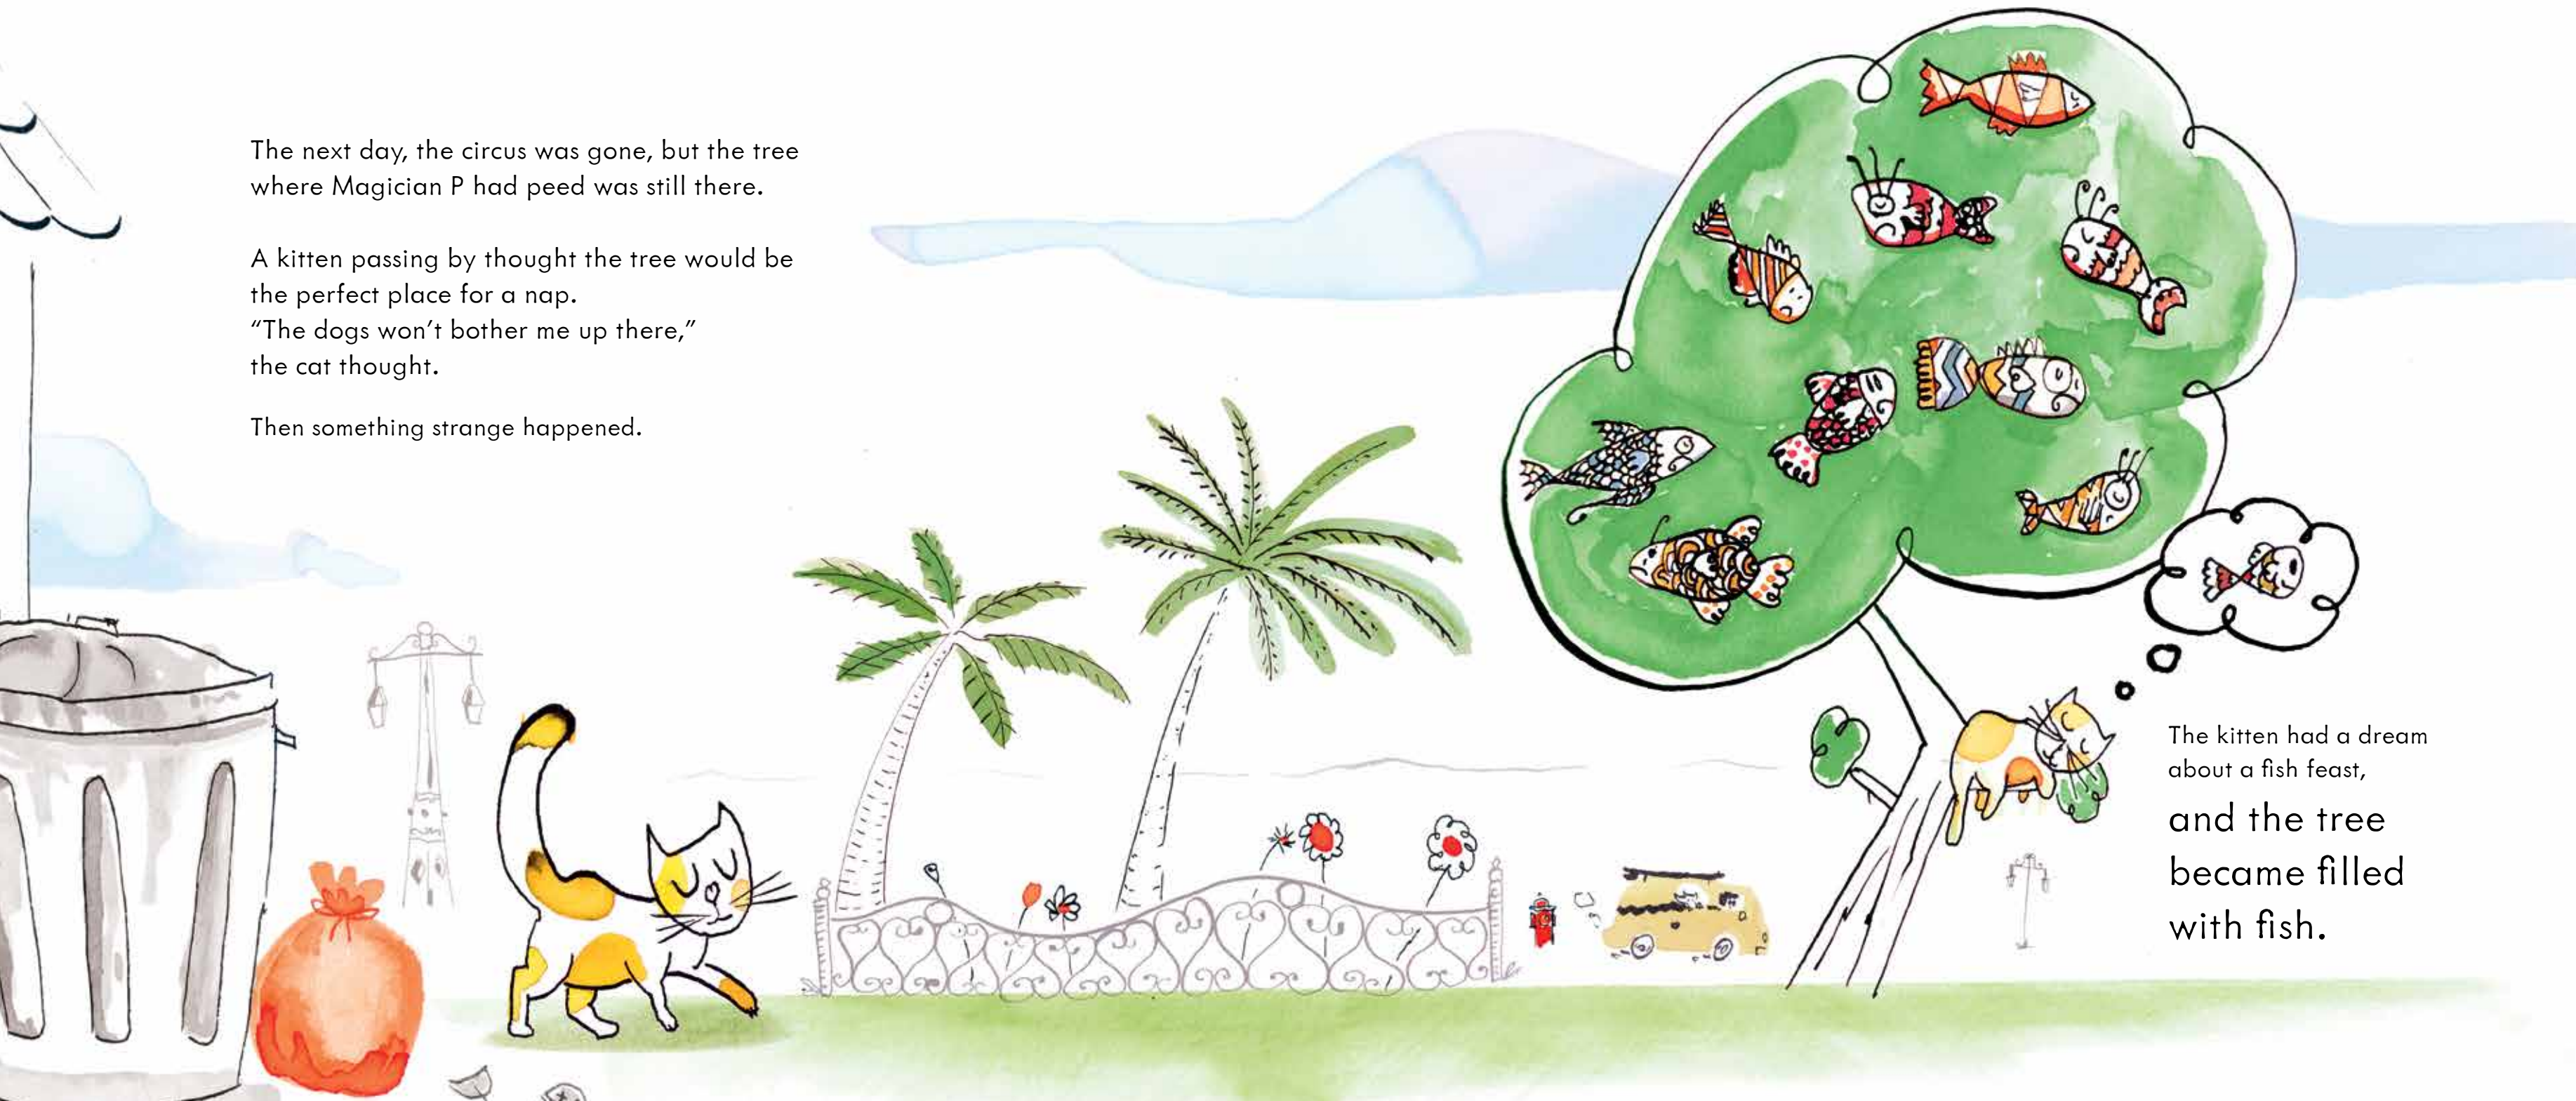

A little lighter, Magician P took to the stage and gave the best performance of his life.

The next day, the circus was gone, but the tree where Magician P had peed was still there.

A kitten passing by thought the tree would be the perfect place for a nap.
"The dogs won't bother me up there,"
the cat thought.

Then something strange happened.

The kitten had a dream
about a fish feast,
and the tree
became filled
with fish.
